

The background of the presentation title is a composite image. The left side shows a landscape with cracked, dry earth under a hazy sky. The right side shows a lush green field with a tree in the foreground and a blue sky with light clouds. The text "CLIMATE CODE RED AND PERSONAL ACTION PLAN PRESENTATION" is overlaid in a white, blocky font with a red outline.

# CLIMATE CODE RED AND PERSONAL ACTION PLAN PRESENTATION

The 2021 Intergovernmental Panel on Climate Change declared climate change is widespread, rapid and intensifying. The UN Chief warned that this report is Code Red for human driven global heating. Presenter Joyce Mercado, a trained Climate Reality Project Leader, joins thousands of other Climate Leaders from around the world in presenting information on climate change to the public. Topics to be covered include the causes of climate change, temperature increases, climate change impacts and solutions. Attendees will also receive a Community Action for a Sustainable Alameda (CASA) checklist created by Joyce with 70 climate protection action items and resources available which will be discussed at the conclusion of the presentation to develop your personal action plan to protect the climate. The planet needs big action now and you can be part of the solution!

**TUESDAY, OCTOBER 26TH 7-8:30 VIA ZOOM
